Thank you for your interest in Ridgeview Nursery. We hope you will find our catalogue straightforward and easy to use. If you have any query on any aspect do not hesitate to give either of us a call.

Terms and Conditions

Availability: Mini plants will be available from April onwards. Please state exactly when your order is required as requested on the order form. If heat is available we would ask that you receive your plants as soon as possible.

2. **Substitute :** all orders are dealt with in strict rotation. Should a variety become unavailable we regret that we no longer accept orders marked “no substitutes”. When ordering. Please list acceptable alternatives, otherwise we will substitute with similar variety.

3. **Collections :** Customers may prefer to collect from the nursery; please indicate at the time of ordering, or give 24 hours advance notice.

4. **Postage & Packaging** (applies to the UK only) :-

up to 12 plants £7.50, special delivery £12.70

13—24 plants £9.20, special delivery £14.20

Thereafter for each additional 1—12 plants £4.70 special delivery £5.20

We can no longer be responsible for lost or late deliveries by first class post, special delivery is available. We recommend this service as it should be delivered by 1pm the next day and is insured. A contact number is required for notification of dispatch and it is important that someone is available to sign for the parcel when it arrives.

5. **Payment:** we advise against sending coins or cash in the post. Cheques or postal orders should be made payable to “J & I Cruickshanks”. As a result of high bank charges, we regret to inform any cheques returned will incur a charge of £20.00.

6. **Guarantee:** we guarantee to refund in full the cost of any plants which fail to satisfy on arrival, provided they are returned immediately. Should we know of any industrial action which is likely to affect the plants transit, we will delay in sending orders until a normal service is resumed. In the event of order dispatched before any such industrial action began, and whose delivery was subsequently delayed, we regret we can not accept for the resultant quality of the plants. Since industrial action can be localised it is the customers responsibility to notify the nursery of any such action which would affect the orders to their area.

7. **Classification:** the classification of dahlias in this list is based on the N.D.S. classified list 2012 list 31st edition.

Blooms usually not exceeding 2 inches(52mm) in diameter: mixed colours.

The bloom size listed is attained when grown under show conditions. As a general rule, "Giants" are grown 3 blooms to a plant. "Large" -5. "Medium" -7. "Small" - 10. "Miniatures" -12. "Pompon" - 16 or over. There are no set times to stop the plants as this varies depending on the local climate.

Should you wish to grow a specific class of dahlia, but are able to leave the choice of varieties to us, we are pleased to offer the following selections at reduced price. All plants offered in the selections are listed in the catalogue and are the same quality as those bought individually. Each collection has no more than two plants of the same variety and each plant is labelled.

Location map

The nursery is open to the public all year, where the dahlias listed in this 2018 catalogue are on show. The dahlias bloom from early July to mid October and visitors are welcome.
